King of herbs in your cup!!

What is Ganoderma?

Ganoderma is also known as Ling zhi in Chinese, Reishi in Japanese for its Miraculous Health Benefits for over 2000 years. Ganoderma has been regarded & praised as a Heavenly Herb with an ability to promote answer to many Health complications. According to the TCM principles it is considered to be the complete Health Improvement Supplement.

What is Gano Coffee?

Wellness Family Gano Coffee a Best known Healthy Coffee is composed of Ganoderma Lucidum Extract, known as "**KING OF HERBS**".

Polysaccharides & Triterpenes are major Active Components of Ganoderma Extract. Polysaccharides Strengthens immune system, boost antioxidants levels, regulates digestive health. Ganoderma Triterpenes helps to maintain healthy blood sugar & cholesterol levels in body. Ganoderma has been used for various healing abilities for thousands of years & is a SUPERFOOD, its powerful antioxidants offer protection against numerous diseases.

Wellness Family Gano Coffee is formulated by using High Quality Ganoderma Extract & Finest Coffee to produce Tasty Coffee, It is grown & processed Organically without chemicals, pesticides, hormones or artificial fertilizers. Gano Coffee helps remove toxins from body & with every sip you drink you can feel better & realize its increasing Health benefits. It's easy to prepare & convenient to carry.

IS YOUR COFFEE HEALTHY? What coffee does to your body.

REGULAR COFFEE

1. Dehydrate & acidic.
2. Increases stress hormones cortisol in body.
3. Can become addictive, causes coffee jitters & caffeine crash.
4. Has approximately 135mg - 200mg caffeine per cup.
5. It takes 17 glasses of water to neutralize the negative effects of 1 cup of coffee.
